from: Finley date: Nov. 28, 1971

to: Harold subject: HLH

Or friend Mr. Hunt is in town this week for a cattle show. They deluged us with a mound of pr releases and other wild things. There were duplicates of some of them which I'm sending along to you. You may wanted to read them for amusement value, pass them on to Jim or discard.

Did you get the copy of the Committee piece I did for last Monday? Bud had not received his copies as of Thursday. I mailed them Monday.

Regards,

Finley
